7.1. Fire Service Bylaw #107: Bylaw #107 was approved, signed and sealed at the December meeting. Copy of said bylaw was sent to Municipal Affairs PEI on December 6th, and was filed according to section 60(c) of the Municipalities Act by that department on December 15th, 2014.

7.2. Electrician to complete kitchen project: It was indicated by Jim Finlayson of Refrigeration Specialists that they are not authorized to do any electrical work other than that directly related to the installation of heat pumps. Charlie Knox has been contacted by Sylvain and will come by shortly to look at the work to be done and to give an estimate.

7.3. Cover for Heat Pumps and Noise Emanating From Heat Pump Fans Issue: After trying rubber dampeners under the compressor legs to see if it helped, it was decided that a new support was to be installed and would rest on the ground, in order to take the weight of the completely off the wall. The height of the compressor will remain the same in order to avoid additional costs to replace existing wiring and plumbing. The total cost for this should be around \$200. As for the heat pump 'covers', Sylvain spoke to Howard. He and Mr. Penny will build a small high-pitched roof over each heat pump, within the next few days. The cost of these is not known yet. These 2 repairs will be part of the GTF.

7.4. Contact With Our Long Range Planner: Councillor Siebrands and Sylvain met on December 15th with Phil Wood. Next step is to send Darlene Rhodenizer 1.- A list of firms who replied to the tender and how much each bid on the job, 2.- A council resolution awarding the contract to the successful bidder, and 3.- Proof of insurance from the firm awarded the contract, with the Province of Prince Edward Island added as an additional insured. The first 2 items were completed, and the 3rd item will be completed shortly, as per Phil Wood.

7.5. Gas Tax Expenditures: As requested, Sylvain has provided Council with a list of projects eligible under the GTF, which is attached hereto.

7.6. Audit Timetable: Sylvain has initiated contact with Sarah Doyle. GT quote was done up, copy of which has been distributed to Council, and attached hereto.

Quote was approved and signed by each Councillor. First audit meeting is tentatively set for mid-February.

7.7. Schedule With John Chisholm For Councillor Orientations: Sylvain spoke with Mr. Chisholm, is ready to come down any time, at the Council's convenience, after the Municipal Orientation session. January 20th was proposed by Council. Sylvain will contact John Chisholm to find out if he is available.
