MEETING DECORUM

Council would like to thank all people in attendance for their presence at the meeting. Council would also like to remind everyone that serious issues are decided at council meetings which impact many people's lives and therefore, we ask that you act with the appropriate decorum that a council meeting deserves. Commentary and conversations during a meeting by the public are distracting. Should anyone disrupt the council meeting in any way, the meeting will be stopped and that person's behavior will be reprimanded.
