Our former tennis court has been resurfaced and will soon be fenced, with areas designated for ball hockey, skateboards and multi-use. Everyone is welcome to use these facilities and are reminded to use the garbage cans provided if you should have anything to dispose of while you are visiting. Your Council - A note from Garry Herring, chair of council.

Being elected to chair your Community Council is an honour and a privilege, and I look forward to continuing the fine work of those who came before me. You will see me out and about on a regular basis.

We have a number of "irons in the fire" presently, including an overhaul of the tennis court, the creation of a playground, a traffic survey, as well as the newly opened dog park, which has been enthusiastically welcomed by residents and guests.

I am looking forward to working with Council and all our citizens to make certain that Murray Harbour is the best place to live and work. We're all in this together!

Who Knew? - Remembrance Day was first observed in 1919 throughout the British Commonwealth. It was originally called "Armistice Day" to commemorate the armistice agreement that ended the First World War on Monday, November 11, 1918, at 11 a.m.—on the eleventh hour of the eleventh day of the eleventh month.

From 1921 to 1930, Armistice Day was held on the Monday of the week in which November 11 fell. In 1931, Alan Neill, Member of Parliament for Comox-Alberni, introduced a bill to observe Armistice Day only on November 11. Passed by the House of Commons, the bill also changed the name to "Remembrance Day". The first Remembrance Day was observed on November 11, 1931.

HORROR AT THE CORNER

The Murray Players - The Murray Players are now in rehearsal for the Fall production. We will be performing on 3 dates: Friday November 25th and Friday December 2nd at 7.00 PM, and Sunday November 27th at 2.00 PM.

There will be 2 plays in each performance. Both are comedies with a Christmas theme. "A Partridge in a Pear Tree", by Lowell Swortzell, is a one act play based on the well-known song. The other comedy is "I'll Be Glum For Christmas", a full three act play by David Halliday of Belfast. The supposedly pleasant events that contribute to the Christmas spirit are noticeably lacking, but the humour David generates more than makes up for attitude of some of the characters.

During the summer months we held two Open Houses, which proved very worthwhile. We welcome new actors to the group as well as two more who will be contributing back stage. More significantly one new actor is a student at a local school. With the other young actors who performed in the skits in the Spring, we will be able to broaden the selection of plays we will be able to present to the community.

In December, The Murray Players are taking the play, "A Partridge in a Pear Tree" to Dr. Gillis Lodge for a single performance.

Our Spring production is slated for early to mid-April 2017. This will be the comedy "Yoo Hoo Anybody Home" by Barb Perry of Charlottetown. Performance dates will be announced in the New Year. Please contact us if you would like to be involved in this production in any way.

Tickets for our Fall production will be on sale through Butler's store and through our Facebook page. These will be available mid-October. Tickets can be held at the door, but must be paid for in advance. It is not possible to reserve unpaid tickets for payment at the door. When a ticket is purchased in advance, the seat is guaranteed. If it is more convenient to make payment through eTransfer, via the Internet, we can receive payment this way. We are not set up to accept Visa or Mastercard. Ticket prices are \$10 for adults and \$5 for children aged under 10. **We** are always welcoming new members to our group, whether acting on stage, backstage or helping with administration. If you would like to join in please contact us at themurrayplayers@gmail.com or call John Hardy at 962 3830.

We look forward to entertaining you all at the next performances.
