

PEI Rural Better Neighbourhoods Program

Save money on power bills. Make your home more weather-proof and comfortable.

Would you like to lower your power costs and make your home more comfortable? Through this **free** program, you'll get expert advice on upgrades that would be best-suited for your home.

How it works

Start with a quick chat

Learn how the program helps lower your power bills and share details about your home with us.

Identify savings opportunities

We assess your home to find upgrades that can reduce power use, lower monthly costs and improve comfort—year-round.

Review your results

See where you can save and get clear recommendations and resources tailored to your home and budget.

Choose your resilience kit

Pick a free kit that helps protect your home from extreme weather conditions.

You receive...

- Home Energy Assessment
- Flood Risk Assessment
- Home Resilience Kit
(up to \$200 value)

You may be eligible to receive financial assistance accessing upgrades.*

**Based on availability of P.E.I. Net Zero Free programs.*
